Lifework

2024 Training Program
Phlebotomy Technician

Register in person, by phone, or online.

The Phlebotomy Technician Program combines hands-on classroom sessions and practical training, ensuring that you are fully prepared to enter the healthcare field in just two weeks.

This 8-day, 36-hour course spans over a period of 2 weeks, with flexible options for daytime or evening classes. You can choose to attend classes from Monday to Thursday, either from 8am to 1pm during the day or from 5pm to 10pm in the evening.

As an option, after completion of the course students desiring to become a nationally certified Phlebotomy Technician can take the MedCA (PH1) certification exam.

Course Tuition is **$950** payable at the time of registration. Tuition includes lab materials, uniform top, supplies and study guide.

Join our small, instructor-led group environment and receive the personalized attention you need to thrive. Start your rewarding career as a phlebotomist with us today.

PROGRAM PREREQUISITES:

Must be at least 18 years of age.
